Subject: Victoria - letter of appreciation.

I am so pleased that we chose to use Victoria Christy when we decided to sell our home in Tampa. We dragged our feet a bit as we were reluctantly moving from Florida to Texas. Would not you know that with the guidance and excellent marketing, as well as such personalized service, she sold our home in record time.

We have moved across country 10 times, and I can honestly say I have never been more pleased with a real estate agent. Victoria's seemingly tireless energy, her timely and effective communication and her constant advocacy were her defining characteristics. She gave us solid advice and helped us stage our house to be appealing to prospective buyers.

If EVER I were to use a realtor in Tampa Bay, the only person I would consider is a true professional – Victoria Christy!
